

Bill and Lucile Beasley 60th Wedding Anniversary

Bill and Lucile met in Vancouver, Washington at the First United Methodist Church where Lucile's father was the minister. Bill was the choir director and Lucile became the church organist when her father was transferred there. A big church wedding was held on Friday evening, August 15, 1952. Making music has been their central joy and calling throughout their lives. Bill and Lucile have three daughters, Carolyn, Susan (Paul), and Sharon, four grandchildren and one great grandson. They have been blessed to have the whole family live locally most of their lives. We love you so much, Mom and Dad (Grandma and Baba). Congratulations on your 60th anniversary!
